

REMARKS

Applicants hereby cancel claims 1-20 and 25. Only claims 21-24 and 26 remain and are the subject of an appeal. Applicants reserve the right to restore/resubmit claims 1-20 and 25 in the event that the Office decides to reopen prosecution instead of continuing with the present Appeal. The appealed claims now coincide with the pending claims.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read 'Paul W. Martin', is written over a horizontal line.
